

REMARKS

This amendment is submitted after the Notice of Allowance mailed March 19, 2007.

The Issue Fee has not yet been paid.

The proposed amendment to **claim 17** inserts --multiplexer switch-- after the word "fifth" in line 1. This amendment is requested to correct a typographical error by which the words --multiplexer switch-- were inadvertently not included in the original claim. Applicant submits no new matter is being introduced due to the proposed amendment.

Applicant notes that **claims 5 and 29** were previously amended via Examiner's Amendments.

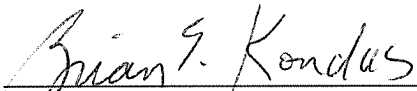

CONCLUSION

For the foregoing reasons, it is submitted that the claims of the present application remain in condition for allowance. Early notice thereof is respectfully requested.

It is believed that there is no fee associated with the filing and consideration of this amendment. Should the Commissioner decide that any fee or fee deficiency is due, the Commissioner is hereby authorized to charge any and all such fees, and/or credit any overpayments, incurred as a result of entering this amendment to Deposit Account No. 03-0172, Order No. 21220.04162.

Respectfully submitted,
